

BECOMING A REGISTERED VASCULAR TECHNOLOGIST (RVT)

A COMPLETE GUIDE

VANESSA WONG | VANESSA LIM | ZHOU YUHENG

THREE STAGES TO RVT ACCREDITATION

Stage 1 : Examination preparation

Stage 2 : Prepare ARDMS requisites
(including Foreign Education Transcript Evaluation)

Stage 3 : Register for examinations

Stage 1 : Examination Preparation

Many online courses available.

Most commonly taken – Pegasus and Burwin

Pegasus Lectures

[Pegasus Lectures](#)

Specialty – Vascular Technology

Note:

Theory textbook is included in Package (hybrid course).

Physics textbook is not provided in Package 4.

Must be completed within 1 year.

US Physics/SPI and Vascular Technology Exam Prep

	Ultrasound Physics/SPI eCourse		Vascular Technology eCourse
	Ultrasound Physics/SPI ExamSim		Vascular Technology ExamSim

Package 4  **Details**

Burwin Institute

[Burwin Institute](#)

Courses

Sonography Principles and Instrumentation

Vascular Technology

Note:

Textbooks/Study material is included in the course package.

Must be completed within 1 year.

The Burwin Institute
of Diagnostic Medical Ultrasound

Sonography Principles and
Instrumentation

Vascular Technology

Stage 2 : Prepare ARDMS requisites

Preparation step	What to prepare	Link
Step 1: Foreign Education Transcript Evaluation	Refer to slide 8 on Foreign Education Transcript Evaluation	https://www.ardms.org/get-certified/application-and-exam-resources/international-degrees/
Step 2: Affirm exam prerequisite	Check your educational achievements against the prerequisites and prepare respective documentation required. Most commonly Prerequisite 3A or 3B.	https://www.ardms.org/wp-content/uploads/pdf/ARDMS-General-Prerequisites-2024-2.pdf https://www.ardms.org/prerequisite

Stage 2 : Prepare ARDMS requisites

Preparation step	What to prepare	Link
Step 3: Other documentation required	Front and back photocopy of photo identification card	
	(According to Prerequisite requirement) Prerequisite letter / Employee letter / Program Completion letter	https://www.ardms.org/get-certified/application-and-exam-resources/sample-letters/
	CV Form	https://www.ardms.org/get-certified/application-and-exam-resources/cv-forms/

Foreign Education Transcript Evaluation

<https://www.ardms.org/get-certified/application-and-exam-resources/international-degrees/>

INTERNATIONAL DEGREES

All foreign diplomas must be evaluated by a Foreign Education Transcript Evaluation Organization. We require Applicants to submit the original evaluation, or a notarized copy, with their application.

The following companies and organizations are possible foreign education transcript evaluation organizations. We do not review or endorse these or other providers of foreign education transcription but provide them as an informational source only.

Points to note

Principles And Instrumentation Component	☐ Sonography Principles and Instrumentation (SPI) - \$275 USD	The SPI examination meets the fundamental principles and instrumentation requirement for the RDMS, RDCS and RVT credentials.
RDMS	☐ Obstetrics/Gynecology - \$300 USD * ☐ Abdomen - \$300 USD * ☐ Breast - \$300 USD *	* Please review Clinical Verification form requirements by clicking here. If the review of an application results in a determination of non-compliance with a prerequisite and/or the Sonography Principles and Instrumentation (SPI) Examination Requirement, and the applicant is therefore determined to be ineligible, the applicant will forfeit the \$100 USD processing fee per examination. Taking a practice test or two is a great way to prepare for your actual examination. Learn more about practice tests .
RDCS	☐ Adult Echocardiography - \$300 USD *	
RVT	☐ Vascular Technology - \$300 USD *	
Total	\$ 0 USD
